

Seeking your input on United Church–Hindu relations

Can Christians participate in Hindu worship? | What can Christians learn from Hindus? | Can Christians believe in reincarnation? | What can we learn from each other?

Please consider studying *Honouring the Divine in Each Other: United Church–Hindu Relations Today*. Explore our relationship with our Hindu neighbours, develop a deeper understanding of Hinduism, and reflect on faith in a pluralistic society.

What can we learn from each other about being faithful witnesses for peace and justice?

The United Church's Theology, Inter-Church Inter-Faith Committee (TICIF) invites your participation in and responses to this next step in interfaith understanding.

Your feedback will contribute to a proposed General Council statement on United Church–Hindu relations. The deadline for feedback has been extended to **December 31, 2016**.
