### Gathering Lent/Easter 2017 Issue Theme: Seeking Right Relations

In 2017, the Dominion of Canada marks its 150th birthday. For many years, we have journeyed as a denomination with the Truth and Reconciliation Commission, which wrapped up its work in 2015. At this significant point in our history, what does it mean to live in right relations? How do we repudiate the Doctrine of Discovery and pay attention to the language used in worship and in the church that reinforces that doctrine? How do we lament, reflect, learn, and then move into new ways of honouring the First Peoples of the land upon which we live?
