### Social Mentor Network (SMN)

- offers one-on-one mentorship opportunities for church ministries

### Mentors Needed!

Congregations are full of people from diverse work and life backgrounds. Help church ministries achieve their missions by becoming an SMN mentor. SMN is seeking mentors with

- significant professional and/or volunteer experience
- expertise in areas such as marketing, fundraising, partnership development, administration, communications, strategic planning, board development, and more

Whether you're retired, working, volunteering, or a recent graduate, there is space for you! E-mail SMN ([socialmentornetwork@gmail.com](mailto:socialmentornetwork@gmail.com)) if you'd like to become a mentor.
