**Background information**

Cynthia Gunn provided the background information. She explained that Albright Centre is a Nursing Home facility with about 231 beds that is owned by The United Church of Canada. It recently underwent an inspection by the Ministry of Health and was found to be in need of complete reconstruction. Land that is owned by The United Church of Canada has been allocated for the new building. As stated in the by-laws, it is necessary to obtain the approval of both Division of Mission in Canada and the Executive or Sub-Executive of the General Council before Albright Centre can enter into any mortgage arrangements. The Executive of the Division of Mission in Canada has already given its approval for the mortgage arrangements proposed by Albright Centre. The matter was now before the Sub-Executive for approval.

**Motion: Mollie Williams/Bernice Luce**

That the Sub-Executive of the General Council approve the loan/mortgage arrangements for Albright Centre such that the Centre has permission to enter into a mortgage agreement for an amount of up to \$17 million.
