

Appendix A for MEPS 23: Effective Leadership and Healthy Pastoral Relationships

- Bay of Quinte – increasing role of Conference Personnel Minister in facilitating search and selection processes in two presbyteries.
- British Columbia – contracted staff to manage Candidacy Pathway and Effective Leadership projects; testing all aspects of the project.
- Hamilton – developing essence statements with pastoral charges and supporting collegiality with ministry personnel through retreats.
- London – testing all aspects of the project.
- Manitoba and Northwestern Ontario – shifting search and screening process to Conference through a Settlement Commission.
- Manitou – testing all aspects of the project but limited to Sudbury Presbytery.
- Maritime – Working with 3 presbyteries and engaging Conference staff with the pastoral relations work being done in those presbyteries.
- Montreal and Ottawa – Standardizing and regularizing the triennial oversight process by presbyteries with focus on mission strategy.
- Saskatchewan – collected data on the current pastoral relations model.
- Toronto – testing all aspects of the project.
